Russell & Davis have secured the contract for supplying the N. W. M. Police with beef for the coming year.

The Fuhrer family, who were here last month, are giving concerts in the towns along the line of the C. P. R., and are meeting with considerable success.

A Northern Pacific passenger train was held up a few days ago by twelve masked men near the scene of the Custer massacre, in Montana. The passengers were relieved of their money and valuables.

In a fight to a finish at Butte, Montana, Billy Hawkins, the champion light weight of Manitoba, accidentally fouled his opponent, Jim Bates, thereby losing the stakes of \$1,000, although he had whipped his man.

His Lordship Bishop Grandin arrived here on the 30th of June and left for Edmonton on the 5th July. His Lordship has been absent from his diocese for over a year, during which time he has been travelling through Canada and United States in the interests of his church in the Territories. His Lordship has not been as successful in his mission as we would wish him to have been.

At the session of the Methodist Conference, just closed at Portage la Prairie, the following are statistics relating to the work in Manitoba and Northwest during the past year: Membership 7,010; the increase during the year which does not include children under twelve years of age, 818; monies raised for the various funds including missionary, contingent and other interests, was \$9,656. The total contributions for all purposes reached \$87,331. This shows an increase over last year of over \$22,000.

THE FISHES QUESTION.

Is an important one, but the question of paramount importance to-day is, "what shall we use for catarrh?" Mr. John McSwain, Model School teacher, Charlottetown, P.E.I., says:—I enclose you 50 cents for which send me a package of Nasal Balm. The package I received some time ago has done me a great deal of good, so much that I think it will cure me.

The returning officer for the electoral district of Prince Albert has returned with his party from their official trip to Cumberland and the Pas, where they had gone to record the votes of those entitled to vote for members for the new Legislative Assembly, Regina. They found it difficult to get the metis—who have recently left the treaty—to understand the privilege of the franchise and their duty in the exercise of it, as they were afraid to record their votes lest they should be binding themselves to the Government in some manner that might be prejudicial to them hereafter. However, when they did make up their minds, they came to the booths en masse. As the people did not know an election was coming on, not more than one-third of the votes could be brought together. No polling booths having been opened at Birch River, Big Eddy, Moose Lake, Chemawamin and Grand Rapids, the numerous people at these places could not vote, but almost all those who had an opportunity exercised their right. The general opinion is that had Mr. Belanger, the worthy chief of the Hudson's Bay Co., been one of the candidates he would have received a round of "plumpers," and doubtless his candidature would have been well received in other parts of the district. In May last, when Mr. Belanger was at Prince Albert on his way to Winnipeg he was approached on this subject by influential men and was assured of success, as there would have been little or no opposition. His position in connection with the Hudson's Bay Co. prevented him from accepting this honor, as he agreed with the policy of his company in not interfering in contested elections or taking prominent positions in political affairs. Mr. Belanger evidently feels very grateful for the kindly feelings expressed on this subject by his numerous friends at Prince Albert and elsewhere.

Mr. Wm. Tait has been spending a few days in the vicinity of the South Branch looking up a herd of cattle he has there.

We omitted to notice, last week, the departure of Mr. Angus McKay, who has been spending some weeks in town. He has been stationed at Fort Pitt since the rebellion.

Tuesday last was one of if not the hottest days of this season. The thermometer registered 131° in the shade, which is almost enough to make one sigh for a young Dakota blizzard.

A somewhat inquisitive horse, evidently wishing to test the carrying capacity of Mr. Giesbre's Peterboro canoe which was lying on the bank of the river, stepped into it bursting a portion of the bottom of it.

A party of picnics, among whom were the Rev. Dr. Jardine, Mrs. J. M. Campbell, Mr. and Mrs. D. Pollock, left on Wednesday morning to attend the Orange demonstration at Carrot River on the glorious 12th.

The early closing movement, which was inaugurated last spring in Prince Albert, has proved entirely successful, much to the credit of the merchants, who do not have to be compelled by law—as in the east—to give their employees a chance for a little recreation after a hard day's work.

We have received, through the secretary of the Lorne Agricultural Society, a sample of wheat of the Kubanka variety which was grown on Mr. John Stewart's farm at Island Lake. It was sown on the 4th of May and headed out on the 6th of July, and will in four weeks or less time be ready for harvest. A sample of Ladoga, sown only a day later, is nearly a week behind the Kubanka. Samples of other wheats are far behind the Kubanka and Ladoga.

We have a few Linen Coats and Vests left and will close them out cheap. Walters and Baker.

The most disgusting exhibition of filth and rags we have ever seen was the alleged dance of the Cree Indians on River street last Monday. About ten or twelve representatives of poor "Lo" clad in old rags and dirty bags, gathered around a dirty bedaubed chief and clad in the same manner as his subjects, went through some lazy motions said to be a "devil's dance." Their dress and actions were enough to give even a tea-totter the DT's. It was simply indescribable.

The Saskatchewan Rifle Association will commence practice to-morrow, Saturday, afternoon at 2 o'clock and be continued every Wednesday and Saturday afternoons until the 23rd August, when the annual meeting takes place. At each practice a silver spoon will be shot for. The Association providing the first, after which it will be provided by the marksmen who makes the lowest score. At 6.30 p.m. of each practice day firing will again begin at the lowest range. A number of handsome cups and medals have been presented for competition. Rifles and ammunition can now be had from the president, Mr. J. L. Johnson.

See our white and grey cottons now selling for ten cents per yard. They beat all others. Walters and Bakers.

THE PRINCE ALBERT TIMES
AND
SASKATCHEWAN REVIEW,
PUBLISHED BY
J. D. MAVEETY
FRIDAY, JULY 13, 1888.

It is to be hoped that the electors of the Saskatchewan District will turn out and do honor to Mr. Macdowall, their representative at Ottawa, at the banquet given in the Queen's Hotel, on Thursday evening next, 19th inst. Mr. Macdowall has done a great deal for this district and it is nothing but right that his political opponents as well as friends should be on hand to give him a hearty welcome. A limited number of tickets have been issued, and we hope to see them all taken up; they can be had from Mr. Jas. McKay.

THE ASSEMBLY ELECTION

The final returns from the various polling divisions in Prince Albert District for the Northwest Assembly have been received and are as follows:—

	HUGHES.	BETTS.	PLAXTON.
No. 1	153	162	126
2	17	50	55
3	13	17	28
4	18	26	49
5	9	1	34
6	15	10	28
7	17	4	56
8	10	10	0
9	21	21	0
10	15	16	3
11	6	5	4
12	13	13	0
	307	335	353

The successful candidates being Messrs. Betts and Plaxton. The official returns will be made to-morrow in the Council Chamber, and we do not think it will materially alter the foregoing figures. While we congratulate Messrs Betts and Plaxton upon their election as representatives to the Northwest Legislature, we regret the defeat of Mr. Hughes for several reasons. Mr. Hughes is a man of undoubted ability, persevering and energetic in anything he undertakes. He has been a faithful and trustworthy representative of the N. W. Council for the District of Lorne during the past three years, and during all that time he has done all in his power to advance the interests and welfare of the district he had the honor to represent. From Mr. Hughes' thorough knowledge of the workings of the N. W. C. he would have been a great acquisition in the new Assembly. Had he been elected he would, no doubt, have been one of the advisors to the Lt. Governor. Mr. Hughes' defeat is attributable to two causes. The one that militated most against him was not working himself, while the successful candidates canvassed hard for the position they attained, he did no canvassing. Another cause upon which many opposed Mr. Hughes was that he was a Government official, being sheriff. Had he resigned the shrievalty no doubt he would have been one of the representatives for this electoral district. Mr. Plaxton, who headed the poll, has resided in this district for a number of years, and is one of our best and most enterprising farmers, and we predict a very successful career for him as a member of the Northwest Assembly. Mr. Betts, whose election is attributable to the large vote he received where he was best known, is a young man; has occupied most important positions in our town since its inception. At present he is chairman of the Board of School Trustees. Mr. Betts is a good, clear and effective speaker, and will be a great acquisition in the new legislature for the Territories. For nearly ten years Mr. Betts has been one of our most successful business men. From his business ability, his energy, perse-

rance and attention to anything he undertakes, would make an able member of the Advisory Board to the Lieut.-Governor. Capt. Hoey, who has been elected for Kinistino, is one of the pioneers of this country, and is a successful and enterprising farmer and will do honor to the district he represents. The contest in Batoche was between Mr. Mitchell, of Duck Lake, and Mr. Fisher, of Batoche, and resulted in the return of Mr. Mitchell by a majority of seventeen. Mr. Clinkskill, the member elect for Battleford, was at one time a resident of Prince Albert where he was engaged in mercantile business, and from what we know of the gentleman, he is able to hold his own with the ablest of them.

MANITOBA ELECTIONS.

(By Special Telegraph.)

The elections which took place on the 11th inst. in Manitoba has resulted in sustaining the Greenway Government, by an overwhelming majority Russell is to hear from but there is little hope for Hepler, the Independent candidate.

The Third Annual Distribution of Prizes

On Thursday, the 28th ult., the third annual entertainment and distribution of prizes in St. Ann's Convent took place. The Rev. Mother Superior had extended a large number of invitations, not only to the parents and guardians of the students but to a great many others, and there was a large turnout of citizens. The programme was long and varied, consisting of vocal and instrumental music, recitations and short dramatic plays, all of which were admirably performed by the young lady pupils. The Hon. L. EVERY NIGHT I SCRATCHED

Until the skin was raw. Body covered with scales like spots of mortar. Cured by CUTICURA Remedies.

I am going to tell you of the extraordinary change your CUTICURA Remedies performed on me. About the 1st of April last I noticed some red pimples coming out all over my body, but thought nothing of it until some time later on, when it began to look like spots of mortar spotted on, and which came off in layers, accompanied with itching. I would scratch every night until I was raw, then the next night the scales, being formed meanwhile, were scratched off again. In vain did I consult all the doctors in the country, but without aid. After giving up all hopes of recovery, I happened to see an advertisement in the newspapers about your CUTICURA REMEDIES, and purchased them from my drug store, and obtained almost immediate relief. I began to notice that the scaly eruptions gradually dropped off and disappeared, one by one, and I have been fully cured. I had the disease thirteen months before I began taking the CUTICURA REMEDIES to all in my vicinity, and I know of a great many who have taken them, and thank me for the knowledge of them, especially mothers who have babies with scaly eruptions on their heads and bodies. I cannot express in words the thanks to you for what the CUTICURA REMEDIES have been to me. My body was covered with scales, and I was an awful spectacle to behold. Now my skin is as nice and clear as a baby's.

We regret to learn that his Lordship has not been as successful in his mission as we would wish him to have been.

Our town and vicinity presents a really beautiful appearance at the present time, to those who can rise above the sordid influence of money making and admire and study, in her various phases, the deep green foliage of the trees surrounding the town; the prairie almost covered with different varieties of wild flowers; the majestic river quietly but rapidly forging its way along and the comfortable houses, well tilled farms and large herds of splendid cattle and bands of fine horses indeed present sufficient food for reflection, not only on the beauties of nature, but on the great future of our adopted town and country.
